Schedule to SafeContractor certificate

This SafeContractor certificate is awarded for the following services

Services:

- Pumps Installation / Maintenance / Commissioning

SafeContractor approval has been achieved following an assessment of the contractor's health & safety documentation, and compared against the **SafeContractor** Assessment Standards, which set out the health & safety standards required to achieve qualification.

For more information on the Assessment Standards, the **SafeContractor** scheme or for confirmation of this contractor's qualification please telephone **SafeContractor** on 1-877-746-5653.
